Entry 10 Enrollment & Retention

Completed - Jul 30 2020

Instructions for submitting Enrollment and Retention Efforts

ALL charter schools must complete this section. Describe the efforts the charter school has made toward meeting targets in 2018-2019 to attract and retain enrollment of Students with Disabilities (SWDs), English Language Learners/Multilingual Learners (ELLs/MLLs), and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2019-2020.

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2019-2020	Describe Recruitment Plans in 2020-2021
	NYC Autism Charter School consistently serves a high percentage of students eligible for FRPL. Within the context of enrolling high need/under-served students, the school made the following outreach efforts: print and/or electronic open house and information session ads in English and Spanish in El Diario and Amsterdam News; presentations at four open house and information sessions; distribution of flyers and/or electronic notices to community	NYC Autism Charter School student recruitment will continue to target high need neighborhoods with a particular emphasis on East Harlem and the South Bronx. Electronic and print ads in English and Spanish will be placed in local publications. The school will continue to reach out to a wide variety of community organizations and agencies, in

Economically Disadvantaged	<p>organizations, service agencies, daycare facilities and city administrative councils; in person presentations to neighborhood and parent groups; and recruitment messages on the school's website and Facebook pages. In addition, recruitment and outreach to communities served by our sister school NYC Autism Charter School Bronx also bolstered recruitment at the East Harlem School, as parents were invited to submit lottery applications to both schools.</p>	<p>particular those in high need/under-served neighborhoods working with preschool aged children and their families. The school will make increased use of social media in order to reach as broad an audience as possible. NYC Autism was scheduled to conduct two presentations, in addition to the efforts above, but they were unfortunately cancelled due to COVID-19.</p>
English Language Learners/Multilingual Learners	<p>NYC Autism Charter School actively recruits high need students from heavily Spanish speaking neighborhoods in the surrounding community, providing both English and Spanish literature and presentations. Additionally, translation services are utilized to reach families for whom the home language is other than English or Spanish. However, the school's effective outreach and recruitment practices are not correlated with the enrollment of ELL designated students for the following reason: all NYC Autism Charter School students have an autism diagnosis or classification and demonstrate significant language impairment as a component of their autism. Because they lack functional language skills, they are generally not evaluated by the Committees on Special Education</p>	<p>NYC Autism Charter School will continue to serve students who, as a component of their autism diagnosis, are significantly language impaired. Recruitment efforts will continue to reach out to families in heavily Spanish speaking neighborhoods and neighborhoods in which multiple</p>

	<p>using the English Language Learner (ELL) assessments that are otherwise given to the general education student population. As a result, NYC Autism Charter School students are not designated as ELL students and are not recommended for an ELL instructional program. Instead of an ELL-specific program, NYC Autism Charter School students are recommended for a program of intensive, individually designed language instruction to address deficits in the speech, language, and communication arena.</p>	languages are spoken.
Students with Disabilities	<p>100% of NYC Autism Charter School's students are designated as Students with Disabilities, surpassing the district enrollment of 16%. As defined by the school's charter, NYC Autism Charter School serves only students falling on the severe to moderate end of the autism spectrum who need a highly structured, staffing-intensive special education setting.</p>	<p>Students with Disabilities, specifically those with a diagnosis of Autism Spectrum Disorder or a classification of autism, will continue to make up 100% of the school's enrollment, as per the school's charter.</p>

Retention Efforts Toward Meeting Targets

	Describe Retention Efforts in 2019-2020	Describe Retention Plans in 2020-2021
	<p>NYC Autism Charter School works</p>	<p>Given the nature of the NYC Autism Charter Schools special education population and their specialized instructional needs,</p>

Economically Disadvantaged	diligently to retain economically disadvantaged students. In the 2019-20 school year, NYC Autism Charter School's retention rate of economically disadvantaged students was 100%.	retention rates for all students will continue to be high, with the caveat that one of the school's accountability goals is to move 5% of its students to less restrictive placements over a five-year period.
English Language Learners/Multilingual Learners	The district retention of 87% for students designated as ELLs is not a meaningful target for NYC Autism Charter School, as its students are not designated as ELL students. This is due to the confounding nature of their significant language deficits, a component of their autism. Nonetheless, NYC Autism Charter School continues to work effectively with students with autism whose families speak languages other than or in addition to English.	NYC Autism Charter School will continue to work effectively with students with autism whose families speak languages other than or in addition to English.
Students with Disabilities	NYC Autism Charter School's retention of Students with Disabilities was 97%, surpassing the district's target of 86%. One student transferred to a less restrictive setting.	Given the nature of the school's special education population and their specialized instructional needs, retention rates for Students with Disabilities will continue to be high, with the caveat that one of the school's accountability goals is to move 5% of its students to less restrictive placements over a five-year period.
