Entry 9 Enrollment & Retention

Completed - Jul 30 2021

[Instructions for submitting Enrollment and Retention Efforts](#)

ALL charter schools must complete this section. Describe the good faith efforts the charter school has made in 2020-2021 toward meeting targets to attract and retain the enrollment of Students with Disabilities (SWDs), English Language Learners (ELLs), and students who are economically disadvantaged. In addition, describe the school's plans for

meeting or making progress toward meeting its enrollment and retention targets in 2021-2022.

Entry 9 Enrollment and Retention of Special Populations

Instructions for Reporting Enrollment and Retention Strategies

Describe the efforts the charter school has made in 2020-2021 toward meeting targets to attract and retain enrollment of students with disabilities, English language learners, and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2021-2022.

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2020-2021	Describe Recruitment Plans in 2021-2022
Economically Disadvantaged	NYC Autism Charter School consistently serves a high percentage of students eligible for FRPL. Within the context of enrolling high need/under-served students, the school made the following outreach efforts: print and/or electronic admission ads in English and Spanish in El Diario and the Bronx Times; posting of a Virtual Open House/Information Session on the schools website with 133 views; distribution of flyers and/or electronic notices to community organizations, service agencies, daycare facilities and city administrative councils; and recruitment messages on the school's website and Facebook	NYC Autism Charter School student recruitment will continue to target high need neighborhoods with a particular emphasis on East Harlem and the South Bronx. Electronic and print ads in English and Spanish will be placed in local publications. The school will continue to reach out to a wide variety of community organizations and agencies, in particular those in high need/under-served neighborhoods working with preschool aged children and their

	<p>pages. In addition, recruitment and outreach to communities served by our sister school NYC Autism Charter School Bronx also bolstered recruitment at the East Harlem School, as parents were invited to submit lottery applications to both schools.</p>	<p>families. The school will make increased use of social media in order to reach as broad an audience as possible.</p>
English Language Learners	<p>NYC Autism Charter School actively recruits high need students from heavily Spanish speaking neighborhoods in the surrounding community, providing both English and Spanish literature and virtual presentations. Additionally, translation services are utilized to reach families for whom the home language is other than English or Spanish. However, the school's effective outreach and recruitment practices are not correlated with the enrollment of ELL designated students for the following reason: all NYC Autism Charter School students have an autism diagnosis or classification and demonstrate significant language impairment as a component of their autism. Because they lack functional language skills, they are generally not evaluated by the Committees on Special Education using the English Language Learner (ELL) assessments that are otherwise given to the general education student population. As a result, NYC Autism Charter School students are not designated as ELL students and are not recommended for an ELL</p>	<p>NYC Autism Charter School will continue to serve students who, as a component of their autism diagnosis, are significantly language impaired. Recruitment efforts will continue to reach out to families in heavily Spanish speaking neighborhoods and neighborhoods in which multiple languages are spoken.</p>

	instructional program. Instead of an ELL-specific program, NYC Autism Charter School students are recommended for a program of intensive, individually designed language instruction to address deficits in the speech, language, and communication arena.	
Students with Disabilities	100% of NYC Autism Charter School's students are designated as Students with Disabilities, surpassing the district enrollment of 20%. As defined by the school's charter, NYC Autism Charter School serves only students falling on the severe to moderate end of the autism spectrum who need a highly structured, staffing-intensive special education setting.	Students with Disabilities, specifically those with a diagnosis of Autism Spectrum Disorder or a classification of autism, will continue to make up 100% of the school's enrollment, as per the school's charter.

Retention Efforts Toward Meeting Targets

	Describe Retention Efforts in 2020-2021	Describe Retention Plans in 2021-2022
Economically Disadvantaged	NYC Autism Charter School works diligently to retain economically disadvantaged students. In the 2020-21 school year, NYC Autism Charter School's retention rate of economically disadvantaged students was 100%.	Given the nature of the NYC Autism Charter Schools special education population and their specialized instructional needs, retention rates for all students will continue to be high, with the caveat that one of the school's accountability goals is to move 5% of its students to less restrictive placements over a five-year period.
	The district retention of 87% for students designated as ELLs is	

English Language Learners	not a meaningful target for NYC Autism Charter School, as its students are not designated as ELL students. This is due to the confounding nature of their significant language deficits, a component of their autism. Nonetheless, NYC Autism Charter School continues to work effectively with students with autism whose families speak languages other than or in addition to English.	NYC Autism Charter School will continue to work effectively with students with autism whose families speak languages other than or in addition to English.
Students with Disabilities	NYC Autism Charter School's retention of Students with Disabilities was 100%, surpassing the district's target of 86%.	Given the nature of the school's special education population and their specialized instructional needs, retention rates for Students with Disabilities will continue to be high, with the caveat that one of the school's accountability goals is to move 5% of its students to less restrictive placements over a five-year period.

Entry 10 - Teacher and Administrator Attrition

Completed - Jul 30 2021

Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation

A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

^[1] Employees that must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.p12.nysed.gov/psc/aboutcharterschools/lawsandregs/EmployeeFingerprintOct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must simultaneously request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at

<http://www.p12.nysed.gov/psc/aboutcharterschools/lawsandregs/EmployeeFingerprintOct19.pdf>.

Responses Selected:

I hereby attest that the school has reviewed, understands, and will comply with these requirements.
