Entry 6 – Enrollment & Retention

Completed - Jun 26 2025

Instructions

Required of ALL Charter Schools

Describe the good faith efforts the charter school has made in 2024-2025 toward meeting targets to attract and retain the enrollment of students with disabilities (SWD), English language learners (ELL), and students who are economically disadvantaged (ED). In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2025-2026.

Entry 6 – Enrollment and Retention of Special Populations

Good Faith Efforts to Meet Recruitment Targets (Attract)

	Describe Recruitment Efforts in 2024-2025	Describe Recruitment Plans in 2025-2026
Students with Disabilities	100% of NYC Autism Charter Schools' students are designated as Students with Disabilities, surpassing the district enrollment. As defined by the school's charter, NYC Autism Charter School serves only students falling on the severe to moderate end of the autism spectrum who need a highly structured, staffing-intensive special education setting.	Students with Disabilities, specifically those with a diagnosis of Autism Spectrum Disorder or a classification of autism, will continue to make up 100% of the school's enrollment, as per the school's charter.
English Language Learners	NYC Autism Charter Schools actively recruit high need students from heavily Spanish speaking neighborhoods in the local community, providing both English and Spanish literature and virtual presentations. Additionally, translation services are utilized to reach families for whom the home language is other than English or Spanish. However, the school's effective outreach and recruitment practices are not correlated with the enrollment of ELL designated students for the following reason: all NYC Autism Charter School students have an autism diagnosis or classification and demonstrate significant language impairment as a component of their autism. Because they lack functional language skills, they are generally not evaluated by the Committees on Special Education using the English Language Learner (ELL) assessments that are otherwise given to the general education student population. As a result, NYC Autism Charter School students are	NYC Autism Charter Schools will continue to serve students who, as a component of their autism diagnosis, are significantly language impaired. Recruitment efforts will continue to reach out to families in heavily Spanish speaking neighborhoods and neighborhoods in which multiple languages are spoken.

	<p>not designated as ELL students and are not recommended for an ELL instructional program. Instead of an ELL-specific program, NYC Autism Charter School students are recommended for a program of intensive, individually designed language instruction to address deficits in the speech, language, and communication arena.</p>	
Economically Disadvantaged	<p>NYC Autism Charter Schools consistently serve a high percentage of students eligible for FRPL. Within the context of enrolling high need/under-served students, the school made the following outreach efforts: print and/or electronic admission ads in English and Spanish in El Diario and the Bronx Times; posting of a Virtual Open House/Information Session on the schools website; and distribution of flyers and/or electronic notices to community organizations, service agencies, daycare facilities and city administrative councils. In addition, recruitment and outreach to communities served by our sister school NYC Autism Charter School Bronx also bolstered recruitment at the East Harlem School, as parents were invited to submit lottery applications to both schools. Additionally, NYCACS made the application process much easier through electronic access and submission and, as a result, had one of the largest applicant pools in any year since opening its doors.</p>	<p>NYC Autism Charter School student recruitment will continue to target high need neighborhoods with a particular emphasis on East Harlem and the South Bronx. Electronic and print ads in English and Spanish will be placed in local publications. The school will continue to reach out to a wide variety of community organizations and agencies, in particular those in high need/under-served neighborhoods working with preschool aged children and their families. The school will make increased use of social media in order to reach as broad an audience as possible.</p>

Good Faith Efforts To Meet Retention Targets

	Describe Retention Efforts in 2024-2025	Describe Retention Plans in 2025-2026
Students with Disabilities	<p>NYC Autism Charter School East Harlem's retention of students with disabilities has historically been high, always surpassing the district's target. This past year, three students left NYCACS East Harlem, but all three transferred to a less restrictive setting.</p>	<p>Given the nature of the school's special education population and their specialized instructional needs, retention rates for Students with Disabilities will continue to be high, with the caveat that one of the school's accountability goals is to have at least ten students transition to a less restrictive educational setting outside of NYCACS within the current charter term.</p>
English Language Learners	<p>The district retention target for students designated as ELLs is not a meaningful target for NYC Autism, as its students are not designated as ELL students. This is due to the confounding nature of their significant language deficits, a component of their autism. Nonetheless, NYC Autism Charter Schools continue to work effectively with students with autism whose families speak languages other than or in addition to English.</p>	<p>NYC Autism Charter Schools will continue to work effectively with students with autism whose families speak languages other than or in addition to English.</p>
Economically Disadvantaged	<p>NYC Autism Charter Schools work diligently to retain economically disadvantaged students. Both schools engage in frequent communication with parents, and solicit feedback informally through meetings, and formally through surveys. Because of these efforts, we have retained ED students at a high level.</p>	<p>Given the nature of the NYC Autism Charter Schools special education population and their specialized instructional needs, retention rates for all students will continue to be high, with the caveat that one of the school's accountability goals is to have at least ten students transition to a less restrict educational setting outside of NYCACS within the current charter term.</p>

Entry 7 – Employee Fingerprint Requirements Attestation

Completed - Jun 26 2025

Instructions

Required of ALL Charter Schools

Review and complete the Employee Fingerprint Requirements Attestation.

Entry 7 – Employee Fingerprint Requirements Attestation

A. TEACH System – Employee Clearance

Required of ALL Charter Schools

Charter schools MUST ensure that all prospective employees^[1] receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee.

Please note that all schools should maintain an electronic or hard copy of the clearance certification pulled from TEACH and dated PRIOR to the employee's start date. Clearance certifications pulled from TEACH at a later date will show that the staff member was cleared as of that date and may result in a finding of clearance violations against the school.

^[1] Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at [NYSED CSO Employee Clearance and Fingerprint Memo](#) or visit the NYSED website at [Who Must Be Fingerprinted Charts](#) for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

B. Emergency Conditional Clearances

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo](#).

Attestation

Responses Selected:

I hereby attest that the school has reviewed, understands, and will comply with these requirements.

Board of Regents-authorized charter schools are also required to submit **school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month. Schools must use a calendar format and ensure there is a monthly tally of instructional days.**

Charter schools serving elementary and secondary levels may submit one combined calendar showing instructional hours and days for all building levels OR separate calendars uploaded as one PDF. *Note that school calendars will also provide evidence of alignment for schools with extended days/years referenced in their mission statements or key design elements.*
